	Foundation: Placing sensual gratification, <u>passionate personal desires</u> , and pleasant <u>enjoyment</u> in a proper placement below enlightenment			Internal: Remembering that personal pleasures and sensual gratifications are manifesting themselves from within our own body and personal preferences		External: Allowing the flame of enlightenment to lead our path to the way of yielding heaven on earth by being led by heaven.

Today's Bible: Luke 9:43b-48; Proverbs 28:11-28;
Jeremiah 24:1-10; Psalm 91:1-6, 14-16; Psalm 146

Luke 9:43b-48: A second prediction - True Greatness

Jesus: (While everyone was being amazed at the work that Jesus was doing)
'Let these words sink into your ears:
The Son of Man is going to be betrayed into human hands.'

They did not understand this .. its meaning was concealed from them . . .

"The least among all of you is the greatest."

A parable of action that rejects self-centered ambitions. . . . generosity without expectation of personal gains.

Proverbs 28:11-28: Self-esteem

"The rich is wise in self-esteem, but an intelligent poor person sees through the pose.

Literally "The rich is wise in self-esteem, but an intelligent poor person *searches him out*."

Proverbs 25:2: Like the heavens for height, like the earth for depth so the mind of kings is unsearchable. (heaven above, earth below; 12, Clogging by no unity)(the mind of kings is unsearchable by those on earth as it rises with heaven and separates from the earth)

When the righteous triumph, there is great glory, but when the wicked prevail, people go into hiding.

This will be the end of today's work.

I was absolutely cut short by the ongoing abusive efforts of Donald Trump, Elon Musk and their team of spies that operate machines all around my home.

For years now, I have attempted to conduct religious research that is continuously being intruded into by their evil operation. They are evidencing a clear intention to disrupt my religious work and to distract me into documenting their evil instead of these important 'good' messages for everyone to see how truly evil their spirits have become.

I am recording all of this for use in a lawsuit against their entire operation for violation of my first amendment right to religious freedom and for private nuisance.

Today marks one of many examples of how their continuous abuse from spying and directing a team of pawns causes so much harm that I am unable to complete normal daily activities.

I woke up at 2:00am today, unable to sleep. Unable to complete work. Unable to function from a continuous and ongoing abuse that I am experiencing by the spying machines of our American Republican government.
